

Instructions:

1. Using Google Maps, construct an accurate replica of the town you currently live in. You may either draw or construct using Google Drawings.
2. Indicate where you live on the map with a "Star".
3. Include the following in your map (9 characteristics of a map)
  - a. Legend/Key
  - b. Symbols which describe certain buildings or landmarks. (Must have a minimum of 10 symbols)
    - i. Gas stations
    - ii. Schools
    - iii. Movie theatre
    - iv. Trax
    - v. Parks
    - vi. Churches/Wards
    - vii. Include all of the Street names and have them properly labeled in comparison to the handout.
  - c. Compass: indicating North, South, East and West
  - d. Scale needs to be accurate, which measures distance. Needs to be the proper written scale.
  - e. Latitude and Longitude
  - f. Color
  - g. Title
  - h. Compass Rose
  - i. Labels
  - j. On either the back of your paper or on a separate Google Doc (if you chose to do this on Google Drawings), indicate the directions on how you go from your house to Early Light Academy.
