

Rubenstein, Chapter 1 "Thinking Geographically"

Issue 3, "Connections between Places – Diffusion"

1. Define the following terms:
  - a. Diffusion
  - b. Hearth
2. Define each of the following, and provide an example from your own experience for each:
  - a. Relocation Diffusion
  - b. Expansion Diffusion
    - i. Hierarchical Diffusion
    - ii. Contagious Diffusion
    - iii. Stimulus Diffusion
3. Describe the connections between the increasing gap between the wealthy and poor regions of the world and the processes by which technology and industry is diffused on a global scale.
