

The Geography of Religions: The Calendar

The Calendar in Ethnic Religions

Why is the passing of seasons a prominent feature in ethnic religions?	
Explain how the following Jewish holidays fit into an agricultural cycle of production, and into the commemoration of important events in Judaism	
<i>Holiday</i>	Connections to agriculture
<i>Rosh Hashanah</i>	
<i>Yom Kippur</i>	
<i>Sukkot</i>	
<i>Pesach</i>	
<i>Shavuot</i>	
How does Judaism accommodate the shorter lunar year with agricultural seasons that are essentially based on the solar year?
