

# **Race and Ethnicity**

1. Go to the following website.

<http://anthro.palomar.edu/ethnicity/default.htm>

There you will find 6 bulleted topics concerning race and ethnicity. Visit each site, reading the information and completing the quizzes at the end of each page. Record your results of the quizzes as you go.

You can also use the flashcards at home to help you explore this topic.

# **Gender and Inequalities**

Click on the following articles. How does each one illustrate a cultural approach to the status of women in different parts of the world? Compare the attitudes to those generally held in our culture.
